The following is an explanatory statement required by the Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the 2014 Annual General Meeting in relation to the granting of the Buyback Mandate.

1. REASONS FOR SHARE BUYBACK

The Directors believe that the granting of the Buyback Mandate is in the interests of the Company and the Shareholders.

Repurchase of Shares may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share. The Directors are seeking the granting of the Buyback Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,228,763,307 Shares.

Subject to the passing of the ordinary resolution no. 5 set out in the Notice in respect of the granting of the Buyback Mandate and on the basis that no Shares are issued or repurchased by the Company prior to the date of the 2014 Annual General Meeting, the Directors would be authorised under the Buyback Mandate to repurchase a maximum of 122,876,330 Shares (representing 10% of the Shares in issue as at the Latest Practicable Date) during the period in which the Buyback Mandate remains in force.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the memorandum of association, the Bye-laws, the laws of Bermuda and/or any other applicable laws.

The Company is empowered by its memorandum of association and the Bye-laws to repurchase Shares. The laws of Bermuda provide that the amount of capital paid in connection with a share repurchase by a company may only be paid out of either the capital paid up on the relevant shares, or the funds of the company which would otherwise be available for dividend or distribution or the proceeds of a fresh issue of shares made for such purpose. The amount of premium payable on repurchase may only be paid out of funds of the company which would otherwise be available for dividend or distribution or out of the share premium account of the company before the shares are repurchased.

4. IMPACT OF REPURCHASES

There might be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited consolidated financial statements contained in the annual report for the year ended 28 February 2014) in the event that the Buyback Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Buyback Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the Buyback Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, Mr. Sham Kar Wai and Mr. Sham Kin Wai, Directors, together with parties acting in concert with them were beneficially interested in 728,328,490 Shares, representing approximately 59.27% of the issued share capital of the Company. On the basis that no Shares are issued or repurchased prior to the date of the 2014 Annual General Meeting, in the event that the Directors exercise in full the power to repurchase Shares in accordance with the terms of the relevant ordinary resolution to be proposed at the 2014 Annual General Meeting, the interests of Mr. Sham Kar Wai and Mr. Sham Kin Wai together with parties acting in concert with them in the issued Shares would be increased to approximately 65.85% of the issued share capital of the Company. The Directors are not aware of any consequences which will arise under the Takeovers Code as a result of any repurchases to be made under the Buyback Mandate.

6. GENERAL

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Buyback Mandate is approved by the Shareholders.

The Company has not been notified by any connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Buyback Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases of Shares pursuant to the Buyback Mandate in accordance with the Listing Rules and the laws of Bermuda.
